NOTES :

- Size : 2440 mm x 1220 mm [8'x4']
- Thicknesses : 0.80 mm (other thickness available on request)
- Notes : All tests may not be valid for metallic laminates.

Samples pasted, represent only color, pattern and finish and not actual thickness. There may be slight variation in shades in batch to batch, particularly in metallic designs. Bonding of laminates under high humidity, plywood with high moisture content, ply with uneven surface, inferior quality adhesive and insufficient pressure may lead to delamination/ air bubbles in between ply and laminate.
